ABOUT US

ARB is an everlasting company. Since last three decades ARB is a trusted brand from automobiles to industrial machinery to household appliances. With experience of over 40 years, we have been able to define our perfection in manufacturing and processing techniques to meet our client's requirements in forms of providing them the best and reliable quality.

ARB has well equipped automatic plants with modern and sophisticated machinery to provide perfect technology to its clients.

Today we are proud to have four world class manufacturing plants & we are manufacturing more than 1500 size of bearings.

ARB feels proud today for its global presence being the pivot of all the machinery across the world.

Our sole aim lies in the satisfaction of our esteemed customers, ensuring permanent growth and economic prosperity based on long term and mutually profitable relations.
